Dear LA City Representatives:

The Benedict Canyon Association, representing approximately 2,600 residents in the Benedict Canyon area of the Santa Monica Mountains, adamantly objects to any form whatsoever of the proposition to underfund the Los Angeles Police Department!

Underfunded means under-resourced and therefore under-served, a great risk to public safety, a foolhardy irreparable mistake, be forewarned.

Those elected officials in the City of Los Angeles who have come out in favor of cutting the budget of the Police Department have couched their rationale in unreal terms to satisfy the hip movements of the day, for purposes obviously not based on common sense.

We resolutely demand, yes, we demand, that the LAPD budget be restored to its original numbers, with no cuts whatsoever.

Sincerely,

Nicole Miner
President, Benedict Canyon Association
